

# ST-BNC-50-R-DIN

## BNC 50 Ohm Screw Terminal Breakout Board with DIN Rail Clips

- Breaks out center and shield of BNC
- Screw terminals for fast connections
- Prototyping area for in-circuit modifications
- Easy access for probing and debugging
- Easily mounts on 35mm DIN rail

Specifications	
Wire Range (stranded)	14-24 AWG
Wire Range (solid)	14-24 AWG
Connector	BNC - 50 Ohm
Lead Free	Yes
Temperature Rating	-25°C to +70°C

This BNC breakout board provides a convenient method of accessing both the shield and center connections of a BNC connector. Both of the connections are brought out to a screw terminal for fast and secure termination to wires. This board also features a prototyping area to enable in-circuit modifications as well as easy probing/diagnostics. The prototyping grid has a standard 0.1" pattern to enable compatibility with a variety of components. The DIN clips on this model allow it to be easily used with a 35mm DIN rail system, making this board perfect for industrial applications.

# ST-BNC-50-R-DIN

## BNC 50 Ohm Screw Terminal Breakout Board with DIN Rail Clips

### Mechanical Drawings

### Electrical Connections

Both pins of the BNC connector are electrically connected to a single row of the prototyping area and one screw terminal. The traces are length matched and the impedance of the BNC connector is 50 Ohms.

# ST-BNC - Ordering Information

**ST-BNC-** \_\_\_\_\_ - \_\_\_\_\_ - \_\_\_\_\_

**Form Factor**

BB: Breadboard  
MIN: Mini  
FT: Rubber Feet  
DIN: DIN Rail Mount  
SPR: Spacers and Screws  
E-CHS: Enclosed Chassis Mount  
E-DIN: Enclosed DIN Rail Mount

**Connector**

R: Right Angle  
S: Straight

**Connector Impedance**

75: 75 Ohms  
50: 50 Ohms

## Ordering

To order please visit [www.schmalztech.io](http://www.schmalztech.io) or one of our distributors to quickly place an online order.

Orders may also be placed by email or phone:

Email: [sales@schmalztech.io](mailto:sales@schmalztech.io)

Phone: +1 (844) 399-9213

## Expedited Shipping

If overnight shipping is required please contact us directly so that we can expedite your order. Overnight shipping is provided through UPS and will incur an additional charge

## Custom Designs

Can't find what you need? We can design and produce a custom board to fit your exact needs. Please reach out to us for additional information and pricing.
